***First-year Theory Rudiments Diagnostic Assessment:** Every student enrolling in the Fall Semester of Music Theory I (MUSC 1110) must take the First-year Theory Rudiments Diagnostic Assessment, which is offered on-line for Fall Semester. Students who do not pass the Assessment must enroll in Elements of Music on-line (MUSC 1100), which they will take as a co-requisite with Music Theory I. Students who demonstrate significant deficiencies may be required to sing in a choral ensemble for two semesters in addition to taking MUSC 1100. A workbook is available for study on the School of Music website at www.music.utah.edu.

****Piano Proficiency Requirement:** For Jazz Composition and Jazz Performance majors only the piano proficiency is satisfied by completing MUSC 2181 and MUSC 2182 (Jazz Keyboard Skills I & II) with a grade of "C" or higher. Students must successfully complete MUSC 1150 and MUSC 1160 (Keyboard I & II) or demonstrate equivalent competence in order to enroll in MUSC 2181.

Private Lessons: All students must submit a completed *Private Lesson Application* at the beginning of each semester of study. Students must meet with their major advisor to plan the semester's coursework and obtain the advisor's signature. Forms are due in the Music Office no later than the third day of classes in any given semester. Late forms will NOT be accepted.

Performance Transfer Credits: All credit in major conducted ensembles and private instruction will be accepted by the University of Utah, however, The School of Music requires that a minimum of one half of the degree requirement for performing ensembles and one half of the degree requirement for vocal/instrumental private study for all music degrees be taken in residence at the University of Utah. Auditions are required for skill-level placement for both performing ensembles and private study.

Minimum Grade: A grade of C or better is required for all music courses. Grades of C- (minus) or below in Bachelor of Music and Bachelor of Arts in Music degree programs will not satisfy this requirement.
