All of the excerpts listed below (except Pictures at an Exhibition and the Cello Concerto by Dvorak) can be found in the complete parts available at imslp.org.

1. Haydn Symphony No. 45 "Farewell" Horn 1 Mvt 4 Finale Adagio Bars 52-55.
Please note that this is a transposed part in F. To avoid confusion, it is the last four bars of the part. You may add slurs for phrasing, if you wish.
2. Tchaikovsky Symphony No. 6 "Pathétique" Horn 2 Mvt 4 Bars 108-137.
"Gestopft" means "stopped." This should be done with a stopping mute. If you do not own one, you may use a conventional straight mute.
3. Mussorgsky/Ravel Pictures at an Exhibition. Please prepare the two excerpts at <https://www.hornsociety.org/mussorgsky-ravel/pictures>
4. Dvorak Concerto for Cello. Please prepare Excerpt 1 at <https://www.hornsociety.org/dvorak/dvorakcc#excerpt-1>

Do not assume that the excerpts will be heard in the order above. Practice in all possible orders. Please feel free to contact me with questions. I'm looking forward to this semester!
