

Temporary COVID-19 Recommendation

As of August 2021, Salt Lake County is an area of high Covid-19 transmission. The CDC recommends that everyone “wear a mask indoors in public if in an area of substantial or high transmission.” The University and the School of Music recommend that students, faculty, and staff follow all CDC recommendations. **Masks are available at the front desk of the School of Music Office and at the McKay Music Library.**

Recommendations for specialized masks and bell covers for singers and wind players:

a. Voice: Wear customized face covering for singers.

b. Flute/ Piccolo: Wear customized face covering for flutists.

c. Oboe/ Clarinet/ Saxophone/ Bassoon: Wear mask with small slit for mouthpiece or bocal. Place MERV13 filter material (available in Music Office) over bell with hair tie/rubber band.

d. Trumpet/ Trombone/ Baritone/ Euphonium/ Tuba: Wear mask with small slit for mouthpiece. Place MERV13 filter material (available in Music Office) over bell with hair tie/rubber band. To empty water keys use Puppy Training Pads or another condensation collection vessel.

e. French Horn: Wear mask with small slit for mouthpiece. Place MERV13 filter material (available in Music Office) over bell with hair tie/rubber band and cut a slit to insert hand into the bell. To empty water keys use Puppy Training Pads or another condensation collection vessel.

Switch to unmodified mask upon completion of rehearsal/performance.
