Piano Proficiency Requirement
UofU – School of Music
Approved October 2006

Entering students wishing to satisfy all (or portions) of the Piano Proficiency Requirement may do so at the beginning of their first semester of enrollment in the School of Music. All entering students should enroll for MUSC 1150, Keyboard I. Test materials will be given to students at the first class meeting of the semester. The exam will be administered during the second class meeting.

All courses of Class Piano (MUSC 1150, 1160, 2150, 2160) are self-paced and once students have satisfied all requirements of the Piano Proficiency they will no longer need to attend class or enroll for subsequent semesters. Enrollment in Class Piano is required of all music majors (except piano majors) until the Piano Proficiency Requirement has been satisfied or the student has completed the curriculum of the Keyboarding class.

Questions regarding the Piano Proficiency Requirement should be directed to the Coordinator of Class Piano (Dr. Ning Lu - 801-587-9376, ning.lu@music.utah.edu).
