Request to Schedule Master of Music Oral Examination

Instructions: School of Music policy requires that your oral examination be completed within one week following your final recital. Please contact all of your committee members to schedule your oral examination. Once you have obtained all their signatures, submit this form to the Academic Coordinator. The Academic Coordinator will schedule a location for your exam (please do not schedule the location on your own).

Please be aware that all oral examinations must be held before the last day of classes in each Fall or Spring semester. Oral examinations are not permitted during finals, graduation days, or during the Summer semester—no exceptions. Incomplete (I) grades must be adequately made up by the first day of the semester in which the oral examination is to be taken.
